## *Welcome to our 13th Annual Western Angus Bull Sale!*

Customers and Fellow Cattlemen,

Welcome to our 13th Annual Western Angus Bull Sale. My how time flies. Seems like just yesterday we were having our first. Now we offer nearly 50 bulls of which we have heavily scrutinized to ensure every bull will stand up to your needs. We would like to welcome Carlson Cattle Company on board as we have worked very closely with Lon and Lorraine over the past several years. They add a wealth of enthusiasm and knowledge and have an excellent set of Gelbvieh bulls for your appraisal.

As usual, our black angus bulls are very sound and fed for longevity not for show. The feet and legs are extremely important as these bulls need to work hard in a relatively short period of time. We strive to incorporate the best genetics through the use of our A.I. program as you will see most of these bull are sired by A.I. bulls. You will note some of these bulls are backed by many generations of pathfinder sires for consistency in maternal strength, performance, carcass, and most importantly, calving ease. Let's face it, none of us are getting younger and the calf born unassisted gets the best start. All of the low maintenance traits are here.

We are excited to write a new chapter along with the Carlsons. Feel free to give any of us a call to stop by and view the bulls or to answer any questions you may have. Note a new time of 1:00 sale day so come have lunch on us, buy a bull, and we will deliver them free of charge at your convenience.

And remember - ***"Wean More Pounds, Buy Western!"***

Sincerely,
Wes & Wendy Merrill
Kash, Kasey, Austin & Tylor

# TERMS & CONDITIONS

**CATTLE INSPECTION:** All bulls carry permanent identity tags, corresponding to Sale Lot Numbers. All shall be available for inspection prior to sale.

**ALL CATTLE ARE SOLD:** Subject to such tests as required for export under regulations of the Health of Animals Branch, Department of Agriculture for Canada - those corresponding to Bureau of Animal Industry requirements.

**BREEDING GUARANTEE:** All cattle are sound and right and sell as outlined by the "Responsible Breeders" policy. Any problems or concerns need to be sent in within 6 months to us for consideration. No bull will be refunded for more than actual purchase price and no animal subject to mistreatment or injury will be refunded. In the event of any unlikely dispute, the regular terms and conditions, standard with the Canadian Aberdeen Angus Association shall apply.

**INSURANCE:** Ownership risk to purchaser commences when the Auctioneer's hammer falls Livestock coverage will be available at the clerk's desk from the appointed representatives on Sale Day, or from the sale management at any time.

**TERMS OF SALE:** Are cash or cheque at par, payable to Clerks of the Sale on Sale Day. U.S. Funds will be accepted at the current rate of exchange. No release will be given until satisfactory settlement has been made. We reserve the right to withhold animals from export shipment for whom payments have not been received prior to departure times.

**ALL PERSONS** who attend the Sale do so at their own risk and the Owners and Sale Staff assume no liability, legal or otherwise, for property loss or for any accidents that may occur.

**DISPUTES:** In case of disputes, bidding will be reopened between the parties involved. If no further bid is made, the buyer will be the person from whom the auctioneer accepted the last bid. The auctioneer's decision in such matters will be final.

**PURCHASER'S RISK:** Each animal becomes the risk of the purchaser as soon as sold. Animals will be cared for at the purchaser's risk for a reasonable length of time.

**ANNOUNCEMENTS:** Errors discovered in the catalogue will be corrected by announcements from the auction stand at sale time and such corrections will take precedence over the printed material in the catalogue.

**REGISTRATION:** A certificate of Registry or Recordation, where applicable, duly transferred will be furnished to the buyer for each animal after settlement has been made.

**ACCIDENTS:** Although every precaution will be taken to protect the safety and comfort of the buyers, PERLICH BROS. AUCTION MARKET LTD. assume no responsibility in this matter and disclaims any liability legal or otherwise in the event of an accident or loss of property.

**MAIL BIDS:** Mail or wire bids may be furnished in confidential form to: PERLICH BROS. AUCTION MARKET LTD, Box 1057, Lethbridge, AB T1J 4A2

**LIABILITY:** PERLICH BROS. AUCTION MARKET LTD. is acting as agent only in this sale and is not liable in any manner whatsoever for any representations made by the seller. The purchasers must look to the seller for fulfillment of all guarantees and representations made hereunder.

**WESTERN ANGUS** reserves the right to collect semen on any bull in the sale at the Seller's expense and the Buyer's convenience.

### WELCOME to the 13th Annual Western Angus Bull Sale!

We have worked with Wes & Wendy over the last ten years in conducting their bull sale and we are very pleased to work with them again. The Merrill family's hard work and effort put into their breeding program is evident with this year's lineup of bulls.

Western Angus has a strong reputation for ease of calving, and performance in their bulls. You don't want to miss this opportunity to incorporate one of their top quality bulls into your herd!

# WELCOME FROM CARLSON CATTLE COMPANY

**The Carlson Family**
***Kolten, Alison, Lon, Lorraine, Conor and Sidney***

## *Our Family Welcomes You All!*

We have been selling purebred Gelbvieh cattle for over 45 years and have lost track of what bull sale this is. We down sized the herd from 400 to 100, making sure to keep only the best, a few years ago and have been selling mostly private treaty for the last few years. We now have our numbers back up and since the opportunity arose to have a combined sale with Western Angus we decided to jump at it!

I'd like to tell you a little bit about our program, we have been testing our herd and only using Leptin positive sires for over 10 years now which has left us with a high percentage of Leptin positive animals.

Leptin you ask? Well Leptin is a gene that is identified through DNA testing in cattle. Leptin contributes to rate of gain, milk production and is also linked to feed efficiency. Which brings me to another trait we test for, RFI (Residual Feed Intake), this trait is 40% hereditary and can reduce your cattle's feed consumption by up to 20%, therefore if you can raise 20% more cattle on the same feed, why not? Anyone up for paying yourself first! Our bulls pass on the Leptin gene and tend to be more efficient on feed than their contemporaries.

For more info on Leptin or RFI go to our website:
***www.carlsoncattlecompany.com.***
You can also view the sale bulls online as well.

Thanks,
Lon and Lorraine (and family)

*P.S. Don't miss our free Leptin and EPD seminar the first week in August at the acreage near Magrath – Guest speakers and lunch included.*

Carlson Cattle Company is offering up for sale a select group of Embryo calves out of one of the breed's top CE and Performance sires - Majesty M118
