Welcome to our 22nd Annual WESTERN ANGUS Bull Sale

Customers and Fellow Cattlemen,

Welcome to our 22nd Annual Bull Sale, We look forward to seeing you sale day and talking over this years offering. The bulls are fed to last, not win shows. The feet and longevity were on our mind when we decided how to implement our feed program. Our bulls are on a protein pellet and silage diet--our second attempt at feeding them at the farm. Our genetics are typically low birth with lots of growth. We use AI to source new genetics and have some impressive new pedigrees this year. Our cattle are supposed to work for you and not the other way around. Maintenance free cattle are our end goal. Please feel free to stop by and have a look. Sale day is a new day, we will have dinner at 5:00pm and Sale at 6:00 pm on Friday, March 20th.

Sincerely, The Wes
Merrill Family

TERMS OF SALE: Are cash or cheque at par, payable to Clerks of the Sale on Sale Day. U.S. Funds will be accepted at the current rate of exchange. No release will be given until satisfactory settlement has been made. We reserve the right to withhold animals from export shipment for whom payments have not been received prior to departure times.

MAIL BIDS: Mail or wire bids may be furnished in confidential form to: PERLICH BROS. AUCTION MARKET LTD, Box 1057, Lethbridge, AB T1J 4A2

LIABILITY: PERLICH BROS. AUCTION MARKET LTD. is acting as agent inly in this sale and is not liable in any manner whatsoever for any representation made by the seller. The purchasers must look to the seller for fulfillment of all guarantees and representations made hereunder.

WESTERN ANGUS reserves the right to collect semen on any bull in the sale at the Seller's expense and the Buyer's convenience.

ALL PERSONS who attend the Sale do so at their own risk and the Owners and Sale Staff assume no liability, legal or otherwise, for property loss or for any accidents that may occur.

Wintering Policy: Free wintering until April 1, 2026. Bulls returning **MUST BE INSURED** unless other arrangements are made prior to sale.

DISPUTES: In case of disputes, bidding will be reopened between the parties involved. If no further big is made, the buyer will be the person from whom the auctioneer accepted the last bid. The auctioneer's decision in such matters will be final.

PURCHASER'S RISK: Each animal becomes the risk the purchaser as soon as sold. Animals will be cared for at the purchaser's risk for a reasonable length of time.

ANNOUNCEMENTS: Errors discovered in the catalogue will be corrected by announcements from the auction stand at sale time and such corrections will take precedence over the printed material in the catalogue.

REGISTRATION: A certificate of Registry or Recordation, where applicable, duly transferred will be furnished to the buyer for each animal after settlement has been made.

ACCIDENTS: Although every precaution will be taken to protect the safety and comfort of the buyers, PERLICH BROS. AUCTION MARKET LTD. assume no responsibility in this matter and disclaims any liability legal or otherwise in the event of an accident or loss of property.

CATTLE INSPECTION: All bulls carry permanent identity tags, corresponding to Sale Lot Numbers. All shall be available for inspection prior to sale.

ALL CATTLE ARE SOLD: Subject to such tests as required for export under regulations of the Health of Animals Branch, Department of Agriculture for Canada—those corresponding to Bureau of Animal Industry requirements.

BREEDING GUARANTEE

All cattle are sound and right and sell as outlined by the "Responsible Breeders" policy. Any problems or concerns need to be sent in within 6 months to us for consideration. No bull will be refunded for more than actual purchase price and no animal subject to mistreatment or injury will be refunded. In the event of any unlikely dispute, the regular terms and conditions, standard with the Canadian Aberdeen Angus Association shall apply.

INSURANCE: Ownership risk to purchaser commences when the Auctioneer's hammer falls. Livestock coverage will be available at the clerk's desk from the appointed representatives on Sale Day, or from the sale management at any time.

Sight Unseen Purchase Plan: Satisfaction Guaranteed or you don't own the bull! Call Wes or the Perlich Sale Staff.

EXPLANATION OF EPD's

EPD's are predictions on how bull rates against his own contemporary group and the rest of the breed. EPD's evaluate group averages and offspring's performance, however they cannot predict individual performance or weights.

For example, if Bull A (WW EPD of +10) and Bull B (WW of +60) were reandomy mated with 10 similar cows, we would expect the group avg. weaning wight of Bull A's offspring to be 50 lbs. lighter than Bull B's (60 - 10 = 50).

Angus Breed Average EPD's:

The **BLACK ANGUS** breed average for all 2023 calves registered:

BW	WW	YW	Milk	TM
+2.0	+52	+92	+23	+49

BW: Birth Weight—expressed in pounds, is a prediction of a sire's ability to transmit birth weight to his progeny.

WW: Weaning Weight—expressed in pounds, is a predictor of a sire's ability to transmit weaning growth to his progeny.

YW: Yearling Weight—expressed in pounds, is a predictor of a sire's ability to transmit yearling growth to his progeny.

Milk: A predictor of a sire's genetic merit for milk and mothering ability as expressed in his daughters.

TM: Total Maternal—1/2 Weaning Weight + Milk. This index is the expected amount of pounds that a sire's daughters' calves will differ from the breed average assuming the daughters are mated to sires of average genetic merit for Weaning Weight.

An exclusive out of a direct daughter of 1L. If you want females that last take a look at this guy! 1L daughters are reknowned for impeccable udders and sound feet. The 428 cow could pass for a 5 year old cow at 12.

We used Exclusive for a little twist on the Capitalist line. Has a little more frame and front end extension than Stunner, and produces excellent quality females. Good performance bull with moderate birth weights.

Payweight 055 was a high seller of our 21 sale to East Raymond. He was the second heaviest bull but framewise he was middle of the road. His dam always produces the soggiest calf of the fall. This fall we flushed her a couple of time, and we are looking forward to putting as many females from this cow family into our herd. Maternal excellence of Payweight 1682. One of the real selling features of this sire is his consistent low birthing weight regardless of what he has made it on. 055 passes on masculine sons and feminine females.
